Modifications:

Comments: Any juvenile adjudicated delinquent for a felony act committed on or after April 21, 1994, is restricted from possessing firearms. This restriction continues into adulthood unless a judge removes the restrictions. §941.29(8), Wis. Stats., provides for the individual to petition a court to remove the firearms restrictions. The statute does not limit the petition's filing to the county where the original adjudication occurred.

The clerk should forward a copy of this Order to the clerk of juvenile court in the county where the juvenile's original adjudication

occurred. If the petition was granted, the clerk of juvenile court will then complete Form GF-221, Adjudication and Prohibited Possession of Firearms Cancellation Report, to notify the Department of Justice that the firearms restriction has been lifted.
